No. 159

asked on Wednesday 4 March 2026

MR L POWER ASKED THE MINISTER FOR NATURAL RESOURCES AND MINES, MINISTER FOR MANUFACTURING AND MINISTER FOR REGIONAL AND RURAL DEVELOPMENT (HON D LAST)—

QUESTION:

With reference to concerns regarding coal seam gas-induced subsidence—

Will the Minister advise the number of pieces of correspondence received by the Minister and his office in 2025 relating to these concerns?

ANSWER:

In regard to the member's request for advice on the number of pieces of correspondence received by me and my office in 2025 relating to coal seam gas-induced subsidence, the period of time in the question is too broad and would be an unnecessary diversion of resources.
