**No. 169**

**Asked on 4 March 2026**

**MR B MELLISH** ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

**QUESTION:**

With reference to the Rockhampton Ring Road project, with construction commenced on the main works package in August 2025—

Will the Minister advise (a) what is the current budget and timeframe for the project and (b) is this cost inclusive of the 'Alexandra St overpass' section being delivered as an overpass or as an intersection?

**ANSWER:**

I thank the Member for the question.

I note that under the former Labor Government, the originally promised project budget was \$1.065 billion at commencement. However, due to project mismanagement, the budget had blown out to \$1.98 billion before the 2024 Queensland State Election.

The project budget remains at \$1.98 billion and includes the delivery of the Alexandra Street overpass.
