**MS J PUGH** ASKED THE MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)—

QUESTION:

With reference to the Red Tape Reduction Plan 2025-28 and the initiatives to ‘make clear what detail is required when recording student behaviour and contacts in OneSchool to reduce over-recording’ and ‘simplify return to work processes by consolidating paperwork and developing standardised templates’—

Will the Minister advise (a) whether the actions referenced in this initiative have been specified and (b) if so, what changes have been made and/or are due to be made to the previous procedures?

ANSWER:

I am advised:

The Department of Education has reviewed and updated the *Workplace rehabilitation procedure* (procedure) to simplify processes and reduce administrative burden for workplaces managing employee rehabilitation and return to work, which is available at [www.ppr.qed.qld.gov.au/pp/workplace-rehabilitation-procedure](http://www.ppr.qed.qld.gov.au/pp/workplace-rehabilitation-procedure).

The revised procedure includes a shorter and consolidated set of responsibilities and a clearer step-by-step process to guide stakeholders through the rehabilitation process
