With reference to surgery waitlist times in January 2026, as listed on Queensland Health's Performance Website—
- Will the Minister advise the number of elective surgeries cancelled by either patient or Queensland Health at Prince Charles Hospital during the reporting period of January 2025 to January 2026 (in table format, reported in individual tables for each month, reported separately by specialty and category, where the y-axis reports the number cancelled and the x-axis reports the specialty and category, with the values provided in the table and not a reference number to a value that sits outside of the table)?
