Answer Due: Friday, 24 April 2026**

---

- 274 **HON M RYAN** ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)  
With reference to fixed speed cameras, fixed red-light cameras, and point-to-point cameras (collectively 'the cameras')—
- Will the Minister provide (in table format, reported separately by type of camera(s), location(s), and date(s)) (a) the location of any cameras that have been inoperable, faulty, or damaged from 1 January 2025 to date, (b) the date that each camera in (a) was identified as being inoperable, faulty, or damaged, (c) the date that each camera in (a) was made operable (or if the camera remains inoperable, faulty or damaged as at the date of the Minister's answer, state that the camera remains inoperable, faulty or damaged) and (d) the number of days that each camera in (a) was inoperable, faulty, or damaged?
