No. 371

Asked on 21 April 2026

MS J HOWARD ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

QUESTION:

With reference to the growing population in Ripley Valley, and the Cunningham Highway Interchange Upgrades at Ripley and Swanbank Roads—

Will the Minister advise (a) projected construction start date, (b) projected practical completion date and (c) total budget for the project across the Forward Estimates?

ANSWER:

I thank the Member for the question.

Under the former Labor Government, a joint commitment was made to undertake planning works to address capacity issues along the Cunningham Highway, including interchange upgrades at Ripley and Swanbank roads. The media statement by the former Labor Minister is available at <https://statements.qld.gov.au/statements/101496>.

As there was no funding allocated to progress this project beyond the early planning stage, the project is not currently funded for future stages (such as business case, detailed design, or construction). As such, project milestones mentioned in the Member's question are not available.
