MS J HOWARD ASKED THE MINISTER FOR SPORT AND RACING AND MINISTER FOR THE OLYMPIC AND PARALYMPIC GAMES (HON T MANDER) —

QUESTION:

With reference to The Q—

Will the Minister advise what action is being taken to implement the investigative report into The Q facility which, in recent weeks, is still experiencing abandoned race meetings?

ANSWER:

Response from the Acting Minister for Sport and Racing and Minister for the Olympic and Paralympic Games (HON A POWELL).

In late 2025, a summary report on The Q Investigations was released, detailing 23 recommendations made to Government in response to the abandonment of the 2025 Brisbane Cup at The Q.

Racing Queensland, the Queensland Racing Integrity Commission and Brisbane Greyhound Racing Club have been tasked with implementation, and Racing Queensland is providing regular updates.

The Government continues to prioritise animal welfare in the implementation of the recommendations, ensuring The Q's facilities and operations continue to support the best outcomes for the greyhound racing community.
