**MS J BUSH** ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

**QUESTION:**

With reference to recreational organisations Queensland Walks and Bicycle Queensland playing a major role in promoting active transport and accordingly having historically received some funding through the Department of Transport and Main Roads—

Will the Minister confirm the ongoing funding for these vital organisations?

**ANSWER:**

I thank the Member for the question.

The Department of Transport and Main Roads funding agreement with Queensland Walks concluded on 31 December 2025. Future funding requests will be considered on their merits, subject to competing statewide priorities and budget availability.

The current funding agreement with Bicycle Queensland is ongoing through to 30 June 2026. My department is currently evaluating a further funding request.
