

QUESTION ON NOTICE

No. 418

asked on 22 April 2026

MRS N BOYD ASKED THE MINISTER FOR LOCAL GOVERNMENT AND WATER AND MINISTER FOR FIRE, DISASTER RECOVERY AND VOLUNTEERS (HON A LEAHY)—

QUESTION:

Will the Minister advise why the Crisafulli LNP Government is yet to release the Local Government Red Tape Reduction Taskforce Report and associated recommendations, which were provided to government on 25 June 2025?

ANSWER:

The Crisafulli Government has identified several recommendations contained in the Local Government Red Tape Reduction Taskforce Report for priority implementation.

A public dashboard outlining agencies' progress in implementing these priority recommendations is being developed and will be published on my department's website.

Additionally, 17 Taskforce report recommendations have already been implemented, primarily by the recently enacted *Local Government (Empowering Councils) and Other Legislation Amendment Act 2026* and the associated *Local Government Legislation (Empowering Councils) Amendment Regulation 2025*.

The Crisafulli Government is continuing to carefully consider the remaining recommendations made in the Taskforce report.
