

Question on Notice

No. 425

Asked on 22 April 2026

MR M BERKMAN ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

QUESTION:

With reference to the School Transport Infrastructure Program (STIP)—

Will the Minister advise (a) which financial year does the list of successful schools released by the Minister on 1 April 2026 relate to, (b) in relation to that financial year, which schools had projects submitted as an STIP Idea, (c) which schools had projects submitted to the Department by the responsible asset owner as STIP Nomination, (d) which schools had projects funded in the previous four financial years and (e) what was the total funding for those four previous financial years?

ANSWER:

I thank the Member for the question.

The Crisafulli Government's 2025 State Budget allocated additional funding for the School Transport Infrastructure Program (STIP) to deliver this vital infrastructure around schools and of that, \$4 million was allocated to new projects in the most recent round.

I note that STIP was left hanging, after the former Labor Government failed to provide ongoing funding beyond the current financial year and allocated the lion's share of the existing pot of funding ahead of the 2024 State Election.

(a) The list of successful schools released on 1 April 2026 relates to Tranche Nine of the STIP. Funding rounds under the STIP do not always align with financial years as STIP Expression of Interest applications (referred to as 'Ideas') can be submitted at any time, which then triggers the investigation process. The investigation process can remain open indefinitely or until a formal STIP nomination is submitted proposing new or improved infrastructure, or it is identified that the issues can be resolved with non-STIP treatments outside of the STIP process.

The most recent funding round of STIP, Tranche Nine, was announced on 1 April 2026. Tranche Nine will fund 31 projects, providing benefits to 32 schools.

(b) Between 1 July 2025 and 27 April 2026, 139 schools submitted STIP Ideas/Expressions of Interest for investigation. Some schools submitted multiple Ideas or additional infrastructure proposals.
