MS C MULLEN ASKED THE MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)—

QUESTION:

With reference to the Teacher Relief and Contract Employment Register—

Will the Minister advise (as at the end of Term 1 2026 or closest reportable date, and reported separately by region and school type (e.g. primary, secondary)) the (a) total number of schools that have been assessed as eligible to apply for additional resourcing, (b) total number of schools that have made an application for additional resourcing, (c) total number of notionally allocated classroom teacher positions that have been allocated and (c) dollar amount of funds appropriated to schools?

ANSWER:

I am advised:

Schools are not required to apply for additional resourcing. Eligibility for support is assessed centrally by the Department of Education using the Teacher Relief and Contract Employment Register (TRACER) and School Budget Solution data.
