

Question on Notice

No. 67

Asked on 11 February 2026

MR T SMITH asked the Minister for Primary Industries (HON A PERRETT)—

QUESTION:

With reference to the need for a pipeline of skilled staff as mentioned in the Queensland Future Timber Plan—

Will the Minister (a) advise whether the Department of Primary Industries has conducted any modelling on how many staff are required, (b) if so, provide a breakdown of staffing requirements by job description and region (in table format) and (c) advise if the Minister has engaged the Minister for Finance, Trade, Employment and Training regarding avenues to train the proposed workforce noted in the Queensland Future Timber Plan?

ANSWER:

The question is a duplicate of Question on Notice No. 1422 which the Member asked on 19 November 2025.

The response remains the same.
