Answer Due: Friday, 13 March 2026

68 **MS N BOYD** ASKED PREMIER AND MINISTER FOR VETERANS (HON D CRISAFULLI)

With reference to flood gauge outages in North Queensland during the 2025–26 disaster season and public statements by the Premier that no warnings or briefings were provided—

Will the Premier advise (a) whether the Queensland Government attended a meeting of the Queensland Flood Warning Consultative Committee in November 2025 and (b) whether the Queensland Government was advised at that meeting, or through any briefing material or service level agreement with Bureau of Meteorology, that some flood gauges were nonoperational?
