MS N BOYD ASKED THE MINISTER FOR LOCAL GOVERNMENT AND WATER AND MINISTER FOR FIRE, DISASTER RECOVERY AND VOLUNTEERS (HON A LEAHY)—

QUESTION:

Will the Minister advise (a) the total number of after action reviews that have been completed this fire season and (b) how does that compare with the previous two years?

ANSWER:

I am advised by Queensland Fire Department (QFD) that the total number of after action reviews completed that relate to Rural Fire Service Queensland (RFSQ) capabilities are as follows:

(a) 42 in 2025–26
(b) 24 in 2024–25
(c) 13 in 2023–24

I am further advised that the total number of after action reviews reported does not include informal ‘hot debriefs’, commonly referred to as after action reviews.

We are supporting our RFSQ staff and volunteers and working with them to improve and prioritise critical learning opportunities, hence this increase.
