QUESTION:

With reference to the Courier Mail article published on Friday 6 February 2026, in particular the report a government jet flew from Brisbane to Toowoomba (Wellcamp) to pick up the Premier who was in attendance of a Liberal National Party event, and then flew on from Toowoomba (Wellcamp) to Sydney—

Will the Premier (a) confirm if this occurred, (b) advise for each leg of the aircraft's trip (Brisbane to Toowoomba, and Toowoomba to Sydney), position titles of those on board and (c) advise why commercial options were not utilised for this travel?

ANSWER:

Details of official meetings and engagements are publicly available in the monthly diary disclosures. Further, all travel is done in accordance with the requirements of the *Queensland Ministerial Handbook* and the Guidelines for the use of Government Aircraft for Official Transport available at

<https://www.police.qld.gov.au/sites/default/files/2023-03/Guidelines%20for%20the%20Use%20of%20Government%20Aircraft.pdf>

The costs associated with ministerial travel are tabled in the Public Report of Ministerial Expenses. Details of QG Air trips are published quarterly on the Open Data Portal at <https://www.data.qld.gov.au/dataset/qgair-ministerial-travel>.

As noted in Question on Notice 1010-2025, data reported on ministerial flights is in line with the disclosures provided by the former government and does not contain the details requested in the Member's question. The government does not propose to divert any public sector resources from delivering for Queensland to alter this information.
