MS S BOLTON ASKED TREASURER, MINISTER FOR ENERGY AND MINISTER FOR HOME OWNERSHIP (HON D JANETZKI)

With reference to the Premier's public statement that the Mary Valley is not being considered for a new dam site in SEQ, and the business case for Borumba pumped hydro being reevaluated as an integrated power and water project—

Will the Treasurer confirm that (a) there is no current proposal for the Borumba project to include water resources diverted from the Mary River system into the SEQ water grid and (b) proposals will ensure the integrity of the current Mary Basin Water Plan?
