TIM TSZYU ON THE COAST

FIRST RULE OF BITE CLUB ...

Aussie boxing champ Tim Tszyu doesn't want all the talk to be about the dog bite that almost derailed his Gold Coast fight this weekend. Instead his focus is squarely on a victory over Carlos Ocampo.

State's huge cash splash on Coast health and transport

HEY BIG SPENDER

Paul Weston, Andrew Potts & Amaani Siddeek

State spending on the Gold Coast has increased by almost a third with the Queensland government's "big build" budget focused on construction of transport and health projects. The 2023-24 budget reveals a record spend of \$2.3 billion in the city as the state does the heavy lifting to

complete light rail Stage 3 to Burleigh, the first stage of the Coomera Connector road project and hospitals in the city's north and south.

The infrastructure program will deliver an estimated 6500 jobs.

"We will always look to support the Gold Coast, such an important part of our state," Treasurer Cameron Dick (below) said.
